

Dear Parents and Church Family:

Hey y'all. We are writing this letter to inform y'all of a HUGE blessing we will be receiving on May 9, 2008. Mat Sattler, a YOUTH MINISTRY MAJOR student from YORK COLLEGE in YORK, NE will be coming to intern with us for the summer! Mat is very, very excited and looking forward to coming to Fresno to do his internship with us here at the College Church. Mat will go on all youth events, be at all youth functions, and will help teach Sunday and Wednesday class times with the kids. Mat is very musically gifted and loves to play guitar and sing. On Wednesday night, May 14<sup>th</sup>, during our normal re-LOAD time, we will have a welcoming party for Mat in the Youth Room. Now, saying all of this, we have a few requests that we would like to bring before you. Mat does not have a vehicle so he will be flying out here on May 9<sup>th</sup> from NE. The cost for the summer will be \$225.00 a week for 13 weeks (May 14-August 13 total cost is \$2925.00). Mat will also need a place to stay for the summer. This is what we need:

1. Housing for Mat (the whole summer or part of the summer)
2. Transportation for Mat to get around since he has no car
3. Any donation you want to give to help defer some of the costs for the summer
4. Parents to bring food for the dinner/party on May 14<sup>th</sup>.

We have attached a sign up form attached to this letter. If you CAN and ARE WILLING to be able to help out in ONE, or MORE of these areas, please fill out the attached sheet and give to Brandon at church or drop it by the front office. Any questions about the sheet or anything else, please contact Brandon.

God has opened the door for the summer here to be FULL of events, trips, work days, and GREAT SUNDAY and WEDNESDAY services. Please be in prayer about Mat's safe travel to us, about the summer, and be praying for our youth group as a whole that we will explode at the seams this summer and GROW in NUMEROUS WAYS and IMPACT Fresno, CA.

Be Blessed and FEARLESS,

Peace

Brandon Howland
